My dear Doctor Kidd,

Pray, allow me to introduce to you Dr. Parker who has lately arrived in this country from China—there he has administered to at least 8000 sick—and conciliated the esteem of all jealous people by showing them the superiority of our shell, and our resources. I have con.
Wrote a new friend: a ship for St. Peter and shall be obliged to you, my dear Mr. Kidd, for any attention you may be able to pay him at Oxford - You know how much, and how truly I am,

Yours
