Translation:

This set of posters were made in China in the 1930s or 1940s, when the Chinese always identified their population as 400 million.

1. The loss of lives as a result of the extra mortality in China.

2. Unit: Million persons

3. Unjust death

4. Average death [in a developed country]

5. Every year 15 in a thousand die unjustly.

6. 1.5 million unjust deaths per 100 million

7. 6 million unjust deaths per 400 million
